Item	Description	Action	
		Who	Date by
1	Apologies		
1.1	As noted above.		
2	Points JF asked members to note		
2.1	Rewrites not yet available from Rachel at SODC		
2.2	Thanks to MD for the website.		
2.3	Asked for members to think about what WNP should be producing / questions at the workshop with SODC.		
2.4	See Roy's slides – points on SEA		
2.5	Continuous advice now being received from SODC advisors so hope to work toward aligning WNP with Local Plan.		
2.6	Note: only 3 officers for 36 neighbourhood plans.		
2.7	WNP is in as strong a position as can be as doing a neighbourhood plan and have a Local Plan being progressed.		
3	Points from slides		
3.1	LP2033 – sys housing only and WNP wants mixed use – need for SEA.		
3.2	Allocation of site not a detailed allocation of where/numbers – its not a planning application.		
3.3	If land exchange with Littleworth site and expansion of London Road Industrial area proposed would need a SEA.		
3.4	The above proposal could hinge on what is revised in the skeleton document.
